

Andrew Pham

Sioux City, IA | (712) 639-7640 | phama23@iastate.edu | linkedin.com/in/andrewpham23 | github.com/AndrewPhamGX

Education

Iowa State University
Pursuing a Bachelor of Science in Software Engineering
GPA: 3.37 / 4.0

Ames, Iowa
May 2028

Experience

Hy-Vee
Pay Station Clerk

Sioux City, Iowa
Jun. 2025 - Aug. 2025

- Operated the Aloha POS system to accurately and efficiently handle transactions for breakfast and lunch orders.
- Exhibited versatility and responsiveness by quickly assisting cross-department teams during high-demand periods.
- Provided excellent customer service while maintaining a clean and safe environment for both staff and customers.

Community Involvement

Event Manager
Iowa State University Vietnamese Student Association

Ames, Iowa
Aug. 2025 - Present

- Fostering relationships between other VSAs regionally and nationally to promote a greater sense of community.
- Coordinating with VSA, other clubs, and ISU faculty to plan and host events, including club fundraisers and charities.
- Introduced a system to track event attendance for archival purposes and enable data analytics on popular events.

InnovAsian: APIDA Culture Show
Volunteer

Ames, Iowa
Mar. 2025

- Managed merchandise sales and inventory, ushered guests to their seats, and assisted in the setup and teardown.
- Communicated effectively with show staff and coordinated with other volunteers to ensure smooth operations.
- Circulated advertising materials that enhanced visibility and engagement for the show, resulting in 300 attendees.

Vietnamese Student Association (VSA)
General Member

Ames, Iowa
Sep. 2024 - May 2025

- Engaged and networked with members of VSAs from all over the Midwest at annual leadership conference, VIA-1.
- Fostered meaningful connections with other members, contributing to a welcoming and inclusive community.
- Actively supported VSA by attending general body meetings and supporting their community fundraising.

Relevant Coursework

Iowa State University
SE 1850 — Problem Solving In Software Engineering

Fall 2024

- Developed a strong understanding of C programming and reinforced it through lab projects and a personal project.
